

MADONNA HIGH SCHOOL

Dear Madonna Parent:

There is change and excitement in the air at Madonna High School! It's a new year at Madonna with a lot of new faces leading the way. Newly named Principal Phil Rujak is pleased to introduce our new football coach Mauro Monz, a veteran who brings more than 20 years of experience at various levels of college and high school coaching experience to lead our Blue Dons in 2022. We also are thrilled to announce our new Athletic Director Darrin Hicks and his Assistant Athletic Director Jason Heckathorn, who are poised to take our Blue Don Athletic Department to new and exciting levels. Also, the addition of the 7th and 8th grades to Madonna High School bring a new enthusiasm to the school and the Athletic Department as the Junior Don Athletic Program, under the direction of Assistant Athletic Director Jason Heckathorn, is now housed under Madonna's roof. And the long-awaited return of the Junior Don Football Program is well underway with coaches Jake Myers, John McCune, John Capito, Aldo Pucci and John Lesho, Sr, all Madonna Alumni, leading the revival. Finally, there is new leadership in all of the other Fall Season Varsity Sports as well, as Adam Welsh takes over the Girls Soccer program, Mike Orrechio is the new Volleyball Coach, and Alicia Ekvovich leads the ultra-successful Madonna Cheering Squad.

There is so much excitement and anticipation at Madonna High School for the 2022-2023 school year and sports season as we look forward to a successful year both academically and athletically. We invite you to honor your son or daughter by placing an ad in the 2022-2023 Madonna All-Sports Program. The program will be sold at all of our home fall sporting events.
