Madonna High School Inducts Six New Hall of Fame Members

On Saturday, November 5, 2022, Madonna High School welcomed six new members into the Hall of Fame during an Induction Ceremony held at Williams Golf & Country Club. The Class of 2022 has the distinction of being the first class exclusively made up of Madonna alumni. Lisa Conti '75 and HOF Class of 2020 was the emcee for the evening. Attendees enjoyed dinner prior to the ceremony. Biography highlights were read by Mrs. Conti and then a video presentation for each inductee followed. The new members of the Hall of Fame received a plaque. We would like to thank Michael and Robin Nogay and Trinity Health System for their financial support.

Athletic Achievement:

Craig Rumora, class of 1975, was a standout athlete in basketball and baseball. He received numerous accolades during his years at Madonna including being named to the All-OVAC 1st team in basketball and baseball, the Catholic State Basketball All-Tournament team, and earned West Virginia All-State 1st team recognition. Craig played baseball at James Madison University and West Liberty University. He earned WVIAC 1st Team All-Conference honors and was team captain in 1979.

Public Service:

Katie Deter Dahlheim, class of 2000, has spent her adult life helping those in need. She formally established the non-profit organization, Lend-A-Hand Appalachia in 2005. In 2017 Katie began the Lowcountry Blessing Box Project as a way to help with food insecurity issues in her Charleston, South Carolina community. The project started with 6 blessing boxes and there are now over 250 in the Charleston area and over 400 in the state of South Carolina. Katie has also written the book "Building a Kindness Army."

School Service:

Al Boniti, class of 1969, has been connected to Madonna High School for decades. Al was a member of the Catholic State runner-up football team in 1966, the OVAC AA championship team in 1967, and the Catholic State championship team in 1968. He became principal of St. Joseph the Worker Grade School in 1987 and in 1998 served as interim principal at Madonna High School. Al helped coach at Madonna from the late 1970s through the early 1980s. He was an assistant and head baseball coach, an assistant football coach, and an assistant basketball coach. He was a sportscaster/color analyst on WEIR radio for 25 years. Al was also the Jr. Dons Athletic Director and head coach of the Jr. Dons football team. Al's award was accepted posthumously by his wife, Patty Boniti and niece, Rebecca Garan.

Dr. Samuel D. Licata, class of 1982, served as the team physician for the Blue Dons for almost 20 years. He would be on the sidelines of games to help with injuries, set up annual physicals, and give advice to coaches when asked. Dr. Licata also served as "team physician" when Madonna students took a trip to Europe. Many students have shadowed Dr. Licata in the operating room over the years and he has assisted numerous students with letters of recommendation into medical school. Many of these former students are now colleagues.

Lifetime Achievement:

Dr. John Przybysz, class of 1968, is a leader in the world of Superconductivity. His expertise in physics led to 42 U.S. Patents being granted in semiconductors, superconductors, nanotechnology, and quantum information. His most notable patent is U.S. Patent 5,812,078, "Josephson junction digital to analog converter for accurate AC waveform synthesis" which is the basis for the US Standard AC volt. Dr. Przybysz is a Fellow of the IEEE (Institute of Electronic and Electrical Engineers) and the current President of the IEEE Council on Superconductivity. Dr. Przybysz and his wife Lauri have been invited twice to the Vatican to consult with the Pontifical Council on the Family and served as Moderator of the English-language discussion group for the 2015 Synod on the Family.

Ronald Rogowski, class of 1960, had a 44 year career in medicine, Research & Development in water, sports drinks, and food product development and technical management. Mr. Rogowski began his career with Culligan USA where he did research on ways to remove chlorohydrocarbons from drinking water supplies. He was a member on the U.S. Drinking Water Advisory Council to Congress. Ron then moved on to a 24 year career with Quaker Oats where he became the Vice President of Research and Development. He worked to support Quaker and Gatorade research activities in product development, engineering, packaging nutrition, quality assurance, and sports science. Mr. Rogowski has made it a priority to give back to the institutions that provided him with the knowledge and foundation to succeed.

The Madonna High School Hall of Fame exists to recognize outstanding Alumni and school supporters for their significant achievements and contributions to Madonna High School. These individuals and organizations provide a source of pride and distinction to the Madonna High School Family. These role models also present an inspiration and incentive for current and future students. Nominations for the Class of 2024 will be accepted beginning in the fall of 2023.

Friends of Madonna Picnic

The 2022 Friends of Madonna Picnic was such a wonderful way to kick off the beginning of the school year! We were blessed with wonderful weather and a great crowd filled with new and familiar faces.

Meet the Team for our varsity and Jr. Don teams was a highlight of the evening. Thank you to all the volunteers and a big thank you to Trish Sweat and her concession stand crew!

Madonna High School participated at the WVSSAC Chick-fil-A Leadership Summit that was held in Fairmont, WV.

Anthony Gross, Mia Pietranton, David Connors, and Sydnee Wright were chosen as our Chick-fil-A Leadership Ambassadors. They were in attendance with other student-athletes selected from all 125 West Virginia Secondary Schools.

The focus of today's Leadership Summit was to learn the heart of Leadership and how to "Win Every Day!"

Our 7th and 8th grade students enjoyed a field trip to Grand Vue Park in Moundsville in August. This gave them a chance to get to know each other better and bond. The students and chaperones (Ms. Schuller, Mrs. McLane, Mrs. Granato, and Fr. Dennis) had a great time at the Adventure Park!

Jillian "Rylie" Cottrill, is one of three students from the Northern Panhandle to be named a National Merit Semifinalist.

Seniors Rylie Cottrill and Luke Sweat have both received nominations for the U.S. Naval Academy and Air Force Academy! This is the first step in the process toward offers of appointment from the academies.

Students had the opportunity to have lunch with Bishop Brennan in Wheeling.

World-renowned speaker and author, Jason Evert, visited Madonna High School in September to speak to our students on "Love or Lust" during his 3 day visit to West Virginia. Jason earned a master's degree in Theology and undergraduate degrees in Counseling and Theology, with a minor in Philosophy at Franciscan University of Steubenville. During his time at Franciscan, Jason did an internship at Madonna. Thanks to Fr. Dennis and St. Joseph the Worker Parish for sponsoring this event.

Madonna in the Community

Colleen Porter delivered a \$250 check to Madonna for winning the Goodwill Drive to Victory. Madonna and Steubenville Catholic Central went head to head back in September to see who could collect items to have the heaviest trailer. Thank you to all those who donated items! Pictured with Colleen are Brynn Artman and Cameron Noble.

The eight Northern Panhandle Catholic schools collaborated to celebrate “Caring for our Community” Day. The three Catholic schools in Weirton joined together to make cards and notes of encouragement for patients in the Weirton Medical Center Breast Care Center. The notes of encouragement from Madonna were written by NHS members. Pictured are the Student Council officers who presented WMC’s Kelli McCoy with the notes: Luke Sweat, Lilly Harbin, Julia Wingett, Madison Long, and Benjamin Jasko.

While students 8-11 grades took the PSAT/NMSQT, the students in 7th and 12th grades had an opportunity to do some good.

The 7th graders began their day making peanut butter and jelly sandwiches and writing notes to go to the Friendship Room in Steubenville. Then both grades split into 6 groups and went to do service in Weirton: Community Bread Basket, Weirton Christian Center, Salvation Army, Serra Village, Hancock County Sheltered Workshop, and St. Joseph the Worker Day School located at Sacred Heart of Mary.

Our Partner Schools

St. Joseph the Worker School

St. Paul School

Cub Scout Pack 151 organized a Veteran's Day breakfast. The Scouts welcomed 100 guests into the school to honor veterans.

Little Steamers, an after school program, was started this year for St. Paul students. They work on STEAM activities twice a month.

Students studied the history of the rosary, the meaning of the mysteries and learning how to pray them. The entire school gathered in the gym for a "Living Rosary" in honor of our Blessed Mother.

5 & 6th grade St. Paul students participated in the Pumpkin Drop, sponsored by the Department of Mechanical and Aerospace Engineering and the student chapter of the American Society of Mechanical Engineers.

Jr. Dons

After a 4 year hiatus, the Jr. Don football team returned to the field with a 6 game season. The team had 17 members and finished the year 4-2. Big thanks to coaches John McCune, Jake Myers, John Lesho, Johnny Capito, Aldo Pucci, and Nathan Zanieski for returning to help their alma mater rekindle the program.

The Class of 1972 held their 50th Reunion the weekend of September 17th. Their reunion was down at Oglebay Park.

Monsignor Joe Peterson celebrated a memorial mass for the deceased classmates, teachers, and staff members.

Five teachers were able to attend as well: Rich Mahoney, Sr. Gail. Mr. B, Jim O'Brien, Mike DelRe, and John York.

The Madonna Class of 1977 held their 45th year reunion in September

IN MEMORIAM

We ask that you pray for the repose of the souls of our dearly beloved Madonna family members who have passed away in the last few months, including:

John Brancazio '74
